

INDUSTRIAL FILTRATION & AIR SYSTEMS

COMPANY PROFILE

“Atlantic Purification Systems Ltd. (APS) has been providing process equipment solutions to industries, municipalities, consultants and contractors in Atlantic Canada since 1970”

Our mission is to honor a tradition of Quality, Integrity and Performance when serving the needs of our markets in Atlantic Canada. These guiding principles will continue to be the driving force behind the success of our company, its’ employees and the customers we serve.

Representing quality manufacturers, APS has over 20 employees dedicated to providing innovative equipment solutions for industry & municipalities for water and wastewater treatment, pumping & fluid handling, water quality testing and analysis, industrial filtration & compressed air systems and industrial paint spray and sandblasting.

CONTACTS

**For all your equipment needs contact APS at:
(902)469-2806 or sales@aps.ns.ca.**

Our Sales Representatives listed below are trained to assist you with your Industrial Filtration & Air Systems needs:

Sarah Smith
(902) 469-2806 ext 126 (office)
(902) 463-3529 (fax)
sarah@aps.ns.ca (email)

APPLICATIONS

- Compressed Air Systems
- Compressed Air Filtration, Cooling & Drying
- Dust, Fume and Mist Collection
- Blower and Vacuum Systems
- Nitrogen Tire Inflation Systems
- Medical Air Systems
- Process Water Chilling and Cooling
- Tank Mixing & Agitating

QUALITY PRODUCT LINES

ABS CANADA CORPORATION

(HST turbocompressor blower package, process mixers and agitators)

INGERSOLL RAND HIBON

(positive displacement (PD) & centrifugal blowers)

LA-MAN

(extractor dryers for compressed air systems)

PARKER FINITE

(filters, regulators, lubricators, gas filtration & separation equipment)

POWEREX

(oil-less compressor packages and pure air systems for medical air & vacuum applications)

QUINCY COMPRESSORS

(rotary screw, reciprocating, oil-free, medical and variable speed air compressors, vacuum pumps, air dryers, air treatment, aluminum air piping systems, parts and service)

XEBEC

(engineered filters, water separators, desiccant & filter elements)

COMPRESSED AIR EQUIPMENT SERVICE

(see reverse for a complete listing of our compressed air equipment service capabilities)

ANCILLARY EQUIPMENT

Be sure to see our other Equipment Divisions for a wide range of ancillary equipment used in industrial processes, including:

- Boiler Feedwater Conditioning
- Industrial Paint Spray & Sand Blast
- Polymer & Chemical Feed Systems
- Pumps & Pumping Systems
- Screening & Filtration Systems
- Water Quality Testing Equipment
- Water & Wastewater Treatment & Disinfection Equipment

HEAD OFFICE—NOVA SCOTIA

INDUSTRIAL FILTRATION & AIR SYSTEMS - DETAILED EQUIPMENT LISTING

Supplier	Product
ABS Canada Corporation	HST Turbocompressor Blower Package Agitators & Submersible Mixers
Ingersoll Rand Hibon	Positive Displacement Blowers Centrifugal Blowers
La-Man	Extractor Dryers
Parker Finite	Gas Filtration & Separation Equipment
Powerex	Oil-less Compressors (reciprocating & scroll) Pure Air Systems and Accessories for Medical Air and Vacuum Applications
Quincy Compressors	Rotary Screw Compressors Variable Speed Compressors Reciprocating Compressors Climate Control Compressors Medical Systems Oil-Free Compressors Vacuum Pumps Air Treatment – Dryers, Filters, Drains and Oil/Water Separators
Xebec	Heatless Air Dryer Heat Reactivated Air Dryer Blower Purge Air Dryer Vacuum Regenerated Air Dryer FSX Replacement Filter Elements for Compressors FSX Flanged Filter Housings and Water Separators

Service Offerings

Able to service all makes and models of compressed air equipment throughout the Maritimes.

- **24/7 on-site breakdown service**
- **Preventive maintenance programs**
- **New equipment installations & set-up**
- **Air-end and reciprocating pump overhauls**

Our technicians are factory trained to service equipment manufactured by:
Quincy Compressors
Gardner Denver
Ingersoll Rand

Contact our service department to discuss how our technicians can assist you to maintain your compressed air equipment and avoid the high costs of unexpected breakdowns.

To view a complete list of **APS** Equipment Divisions please visit our website at **“www.aps.ns.ca”** or request the additional brochures noted below:
