Atlantic Purification Systems Ltd. acquires Francis Delehanty Ltd.

“Two family businesses joining together to serve Atlantic Canadians better.”

May 14th, 2010

Atlantic Purification Systems Ltd. has acquired Francis Delehanty Ltd. (Delehantys) as a division of APS.

Established in 1970, APS has over 25 employees dedicated to providing innovative equipment solutions for industry & municipalities for water and wastewater treatment, pumping & fluid handling, water quality testing and analysis, industrial filtration & compressed air systems and industrial paint spray and sandblasting. Based in Dartmouth, NS, APS also has sales representation in New Brunswick and Newfoundland.

For more than 40 years, Delehantys has been a leading wholesaler of water systems with a head office in Dieppe, NB, and a branch location in Dartmouth, NS.

With the purchase of Delehantys, APS expands its presence in the Moncton area with a branch office and warehouse, to better service customers throughout New Brunswick and Prince Edward Island. Water systems customers of both APS and Delehantys have access to an expanded portfolio of products and services as a result of this operations merger.
